

**AGE CONCERN  
NEW ZEALAND**  
**VISITING SERVICE**

## Are you feeling that you spend too much time on your own?

Age Concern brings people together across generations, places and cultures.

Our visiting service has caring volunteers who are keen to spend time with an older person. We can match you with a volunteer who shares your interests and would love to get to know you. Our volunteers visit for about an hour each week.

In the Age Concern whānau, everyone is welcome and valued.
